freezer. (The following recipes are not suited to freezing in refrigerator ice trays.)

Vanilla ice cream

4 eggs
2 cups sugar
2 teaspoons vanilla
2 cups heavy cream
2 cups half-and-half cream
2 cups whole milk
Pinch of salt

In a large mixing bowl, beat eggs and sugar thoroughly. Stir in salt, vanilla, cream and milk. Pour into freezer container and chill thoroughly before freezing. Makes about ½ gallon.

Peach ice cream

3 cups half-and-half cream
1½ cups sugar
2 eggs
1 teaspoons vanilla
1 to 1½ cups of pureed ripe peaches

Beat eggs and sugar thoroughly. Blend in cream, vanilla and pureed peaches. Chill thoroughly before freezing according to freezer directions. Makes about 1 quart.
